

# ALLIED AIR COMMAND

## BIOGRAPHY

### **MAJOR GENERAL CLAUDIO GABELLINI** **Commander Deployable Air Command & Control Centre**

Major General Gabellini is Commander of the Deployable Air Command and Control Centre in Poggio Renatico, Italy, and in this capacity reports to Commander Allied Air Command (AIRCOM).

He attended the Air Force Academy from 1980 to 1984. After earning his wings on the G.91T jet, he served first as an instructor on the MB339 trainer aircraft. He then served as an operational pilot on F-104 Starfighter and, subsequently, on PA200 Tornado, completing his operational tour in Ghedi Air Base at Brescia, Italy.

In his last national assignment, Major General Gabellini was the Commander, Italian Air Force's Combat Forces Command at Milano, Italy. In this capacity, he has been responsible for ensuring the operational readiness of assigned units, to include the update of plans and procedures, standardisation of the entire training activity, and efficiency of weapon systems, equipment and infrastructures.

During his career, Maj Gen Gabellini served in various command assignments as squadron commander and wing commander, before assuming senior staff positions including being It AOC Commander at the Air Operations Command at Poggio Renatico (Ferrara) and, subsequently, to the Headquarters Air Force Command in Rome as Department Head first and COS later. In his last assignment Major General Gabellini, was Chief of Staff at NATO's Headquarters Allied Air Command at Ramstein Air Base, Germany.

His operational assignments include the Balkans (operations Joint Guard, Joint Forge, Decisive Endeavour, Allied Force) and Libya, where in 2011 he served aboard the USS Mount Whitney within the framework of the Coalition Operation Odyssey Dawn, and, subsequently, as Targeting Directorate Chief, Combined Joint Task Force Unified Protector Headquarters in Napoli, Italy, during NATO's Operation Unified Protector.

Major General Gabellini is a command pilot with more than 2,700 flying hours on SF-260, S208, MB339, G.91T, F-104S/ASA, PA200 Tornado IDS and ECR.
